LE JEU DES 7 ERREURS

HERE'S A LESSON ON
How to Dive!
Petite diving star 'JIM' FAIRBROTHER says that in diving...or choosing a cigarette... EXPERIENCE IS THE BEST TEACHER!

I LEARNED FROM EXPERIENCE... BY COMPARING... THAT CAMELS SUIT ME BEST!

It takes a lot of trying...until experience tells you that you've finally found perfection!

Here's how a 105' takeoff should look. Study it carefully—and see what you can do!

Let your -Zone tell you why **More people are smoking CAMELS than ever before!**

Your "T-Zone"
T for Taste...
T for Throat...
that's your proving ground for any cigarette. See if Camels don't suit your "T-Zone" to a "T."

● Here's a lesson in choosing a cigarette, too! Like Miss Fairbrother, countless smokers have tried different brands—and compared—for full flavor and cool-smoking mildness. Camels—made from choice tobaccos, properly aged and expertly blended—are the choice of experience with millions!

Try Camels yourself in your "T-Zone"... that's T for Taste and T for Throat. See how their rich, full flavor suits your taste. See how Camel's cool mildness suits your throat! Learn from your own experience in your own "T-Zone" why more people are smoking Camels than ever before!

According to a Nationwide survey:
MORE DOCTORS SMOKE CAMELS THAN ANY OTHER CIGARETTE

Three leading independent research organizations asked 113,597 doctors what cigarette they smoked. The brand named most was Camel!
